

STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT
State/Territory: ILLINOIS

CATEGORICAL DETERMINATIONS

The State does not make advance group determinations by category as described in 4.39(f) of the pre-print. The only exceptions in which an individual with severe mental illness or DD may be admitted to a nursing facility without a Level II Screen are if the individual falls into the following medical conditions, and a physician certifies the need for nursing facility services:

- 1) coma;
- 2) function at the brain stem only;
- 3) terminal illness with life expectance of six months or less;
- 4) convalescent care, not to exceed 120 days;
- 5) primary diagnosis of dementia, including Alzheimer's disease, in the case of an individual with severe mental illness.
